Dear Mr. Garrett:

This letter is in response to your appeal on behalf of the above listed Claimant whom you allege was required to inspect a locomotive not in connection with his assignment on the date listed above. Your Organization is requesting an additional basic day payment as compensation for this alleged rule violation.

Your Organization cites Article VIII of the 1986 BLET National Agreement in support of its position.

After reviewing the record the Carrier is amenable to resolving this appeal. Therefore in full and final settlement, and without prejudice to schedule rules and agreements, and on a non-referable basis the Carrier is willing to offer \$135.45 as payment.

Please indicate your concurrence with this proffer. Should you decline this proffer your appeal will remain declined in its entirety. All future correspondence should refer to the above listed Carrier File number.

Respectfully,

Brandon Bell
