10 th Choice		

In this example, the 1st Choice is the Coffeyville pool, and the member is requesting his first choice Grouping as D if the member does not have the seniority for that grouping then group G is the next choice, then H, and lastly O. If the member cannot hold any of the groupings listed, then they move to their 2nd Choice in the Marysville pool and so on down the list.

When the selection moves to the 4th Choice the member is requesting any grouping in that list.
