### **Unfinished Business:**

3<sup>rd</sup> vote for changing meeting start time: vote ended 13 against change and 12 for. Time stays at 09:00

If you stop in North Platte and are out of time, the Carrier has 30 minutes after your HOS to pick you up or it's an HOS violation

If you have to call for a ride In Sioux City to get to the depot, inform a manager that is when your HOS begins

There is no current language keeping the Carrier from calling dh's between midnight and 5:00 am. There is a letter of understanding from 2017 that Dwight is going to inquire about

11-4 meeting last month came away with nothing really. Asked for Fremont pool to be moved to CB, extra board in Columbus, stand alone extra board in CB. Labor Relations and CMS had representatives in attendance but nobody that had authority to make any decisions. The way things stand right now, however many turns and extra board totals at each location will be on the 11-4 board

When 11-4 does start, each group will have the same days off across the system. All group A's will have the same schedule everywhere etc.

If you trespass into your off days, any guarantee you earn will carry over to the next half so you don't end up short pay the next half

We will be asking for make wholes for cross protecting pools. Any stand alone extra board will be 6-2 scedule

### **New Business:**

Nominations for 2<sup>nd</sup> vice local chairman to replace Jeff Nourse, who moved into the 1<sup>st</sup> vice position when Brian Held left. Dwight Zahnnow nominated Mike Brown 2<sup>nd</sup> by Joe Buelt, no other nominations so Mike Brown wins by acclamation

CSX is first BLET rr to offer a contract to it's members. 17.5% raise, no health and welfare or work rule changes .We will be asking for OT and a raise in the meal afht meal allowance

ISS dept has been eliminated, CMS or shift manager now handle those duties

Use your detailed train consist for locomotive usage, not your BU

If you have to do any switching, hostling etc. When you are called multiple service claim rule 20 penalty

Rule 22 [zone rule] doesn't mean they can use you for anything they want

There is no provision to take your 2<sup>nd</sup> meal period on the end of a yard job. Ask for it at 10hrs and if you're denied, put in a basic day claim for not being allowed a 2<sup>nd</sup> meal period. Carrier has been paying a 2 hr penalty

North Platte is wanting crews to go directly to East run through for z-trains, so far it's only North Platte crews
