Local Chairman: Mike Quick

- Fill out the TIH/PIH reporting on every tie-up along with EMS comments for all issues.
- Securement, and clearance. Please make sure verbally or physically that you are in the clear in tracks. Make sure to do a release test on locomotives and handbrakes are applied.
- Stay out of the view of the camera, get out on the power.
- Vacations and CREWPRO. Results and some of the issues.
- We have officially filed an 11/4 dispute over LaSalle because of 8 people on board. The Dispute Resolution Agreement says boards at 8 or more deserves the 11/4 pattern.
- PTC/EMS feedback on tie-up
- Warm up your brakes with the winter cold/and snow.
- Disability Insurance through the GCA, voted on the proposals that were presented to us out of the three offered – Vote Proposal #2 36month/Harrison 9-0 in favor

Legislative: Paul Pearson – Talked about the opening of the state legislature and the office of rail safety.

Please notify Paul about any locomotive safety issue or HOS issue.
